

Cellbiology – Slides for the exam:

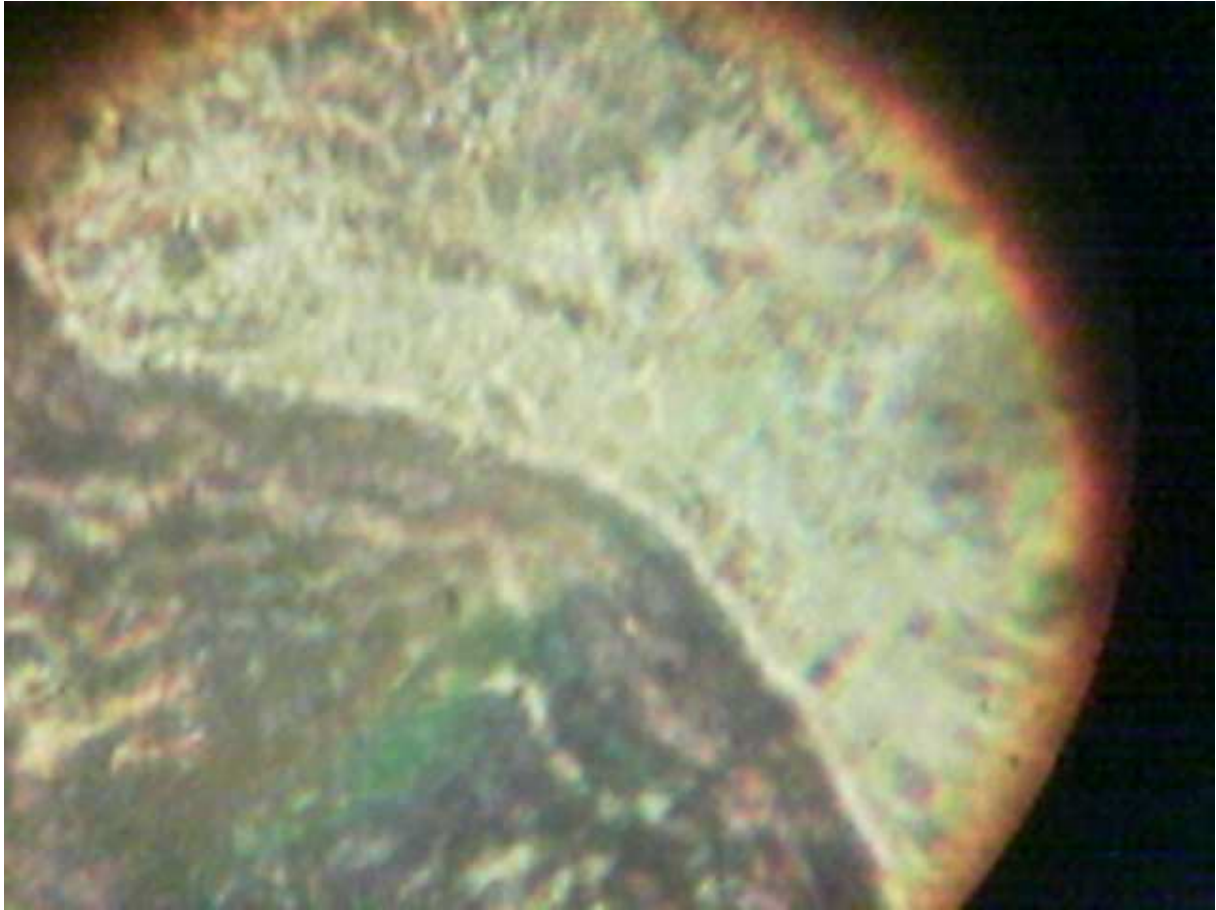

You have to know these slides for the exam:

1. Hepatocytes
2. Round fat cells
3. Spindle cells
4. Blood cells
5. Glycogen
6. Pear-shaped cells
7. Cuboidal cells
8. Nissl bodies
9. Desmosomes
10. Lipid droplets
11. Stomach: Mucous granules
12. Pear shaped
13. Lipid droplets
14. Star shaped cells

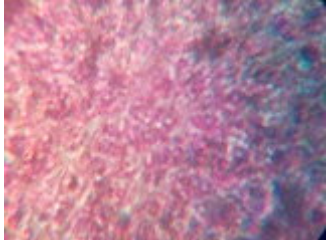

The following 12 pictures were made by Daniel, Peter, Akeila& Diksha.
Thankx!

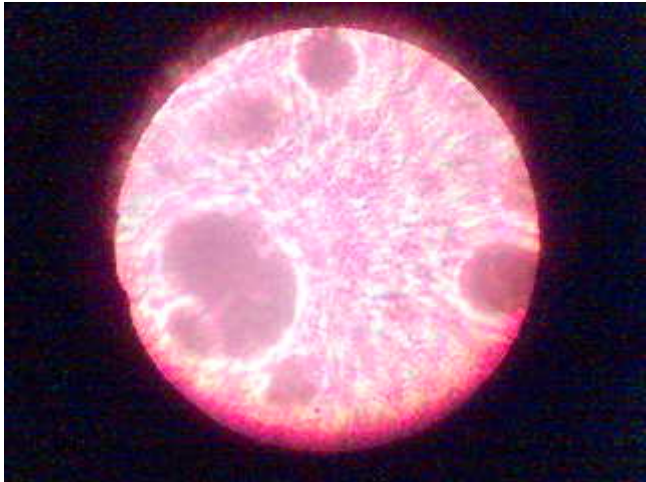

Cuboid Cell

Desmosome

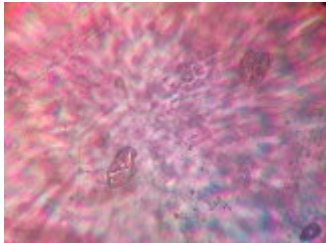

Glycogen

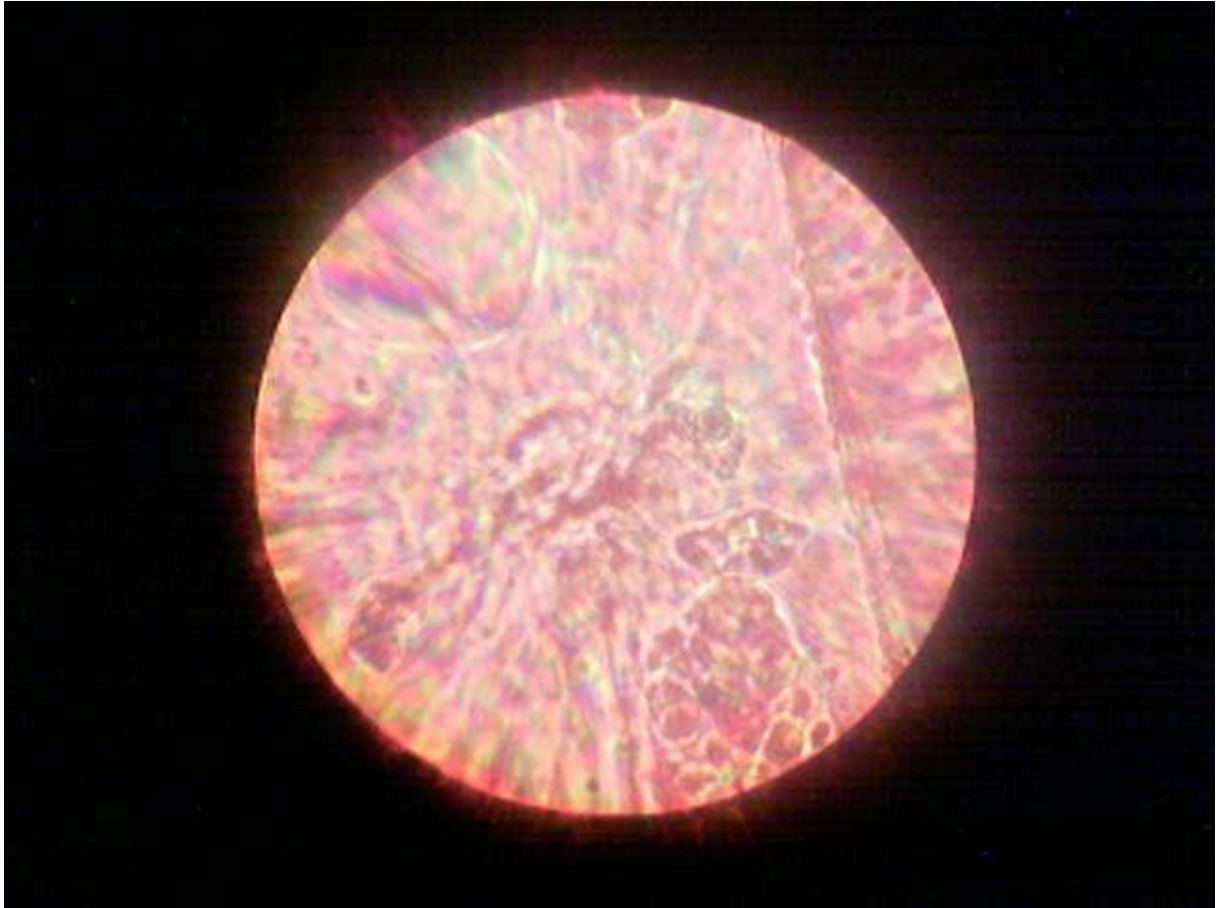

Hepatocyte

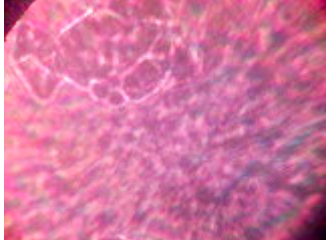

Hepatocyte enlarged

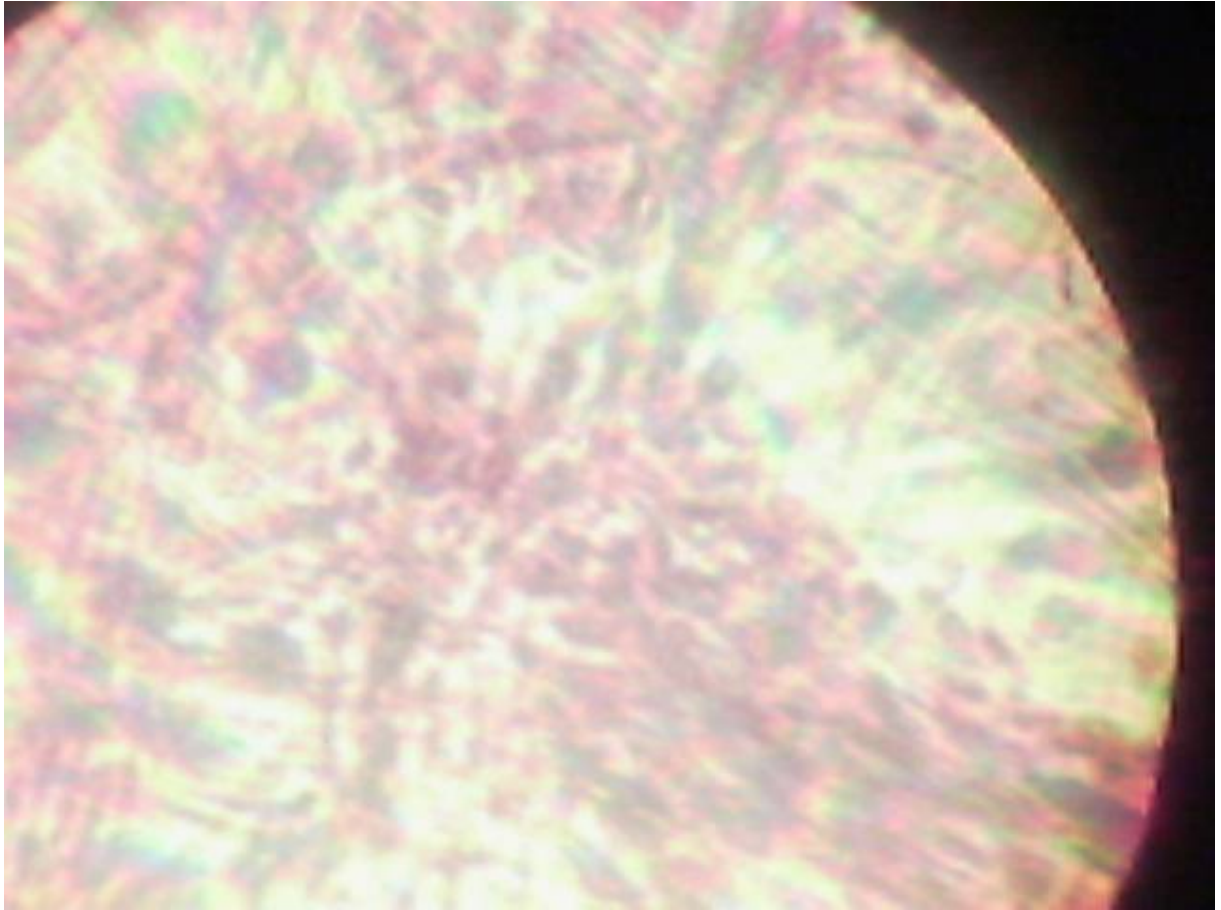

Red blood cell

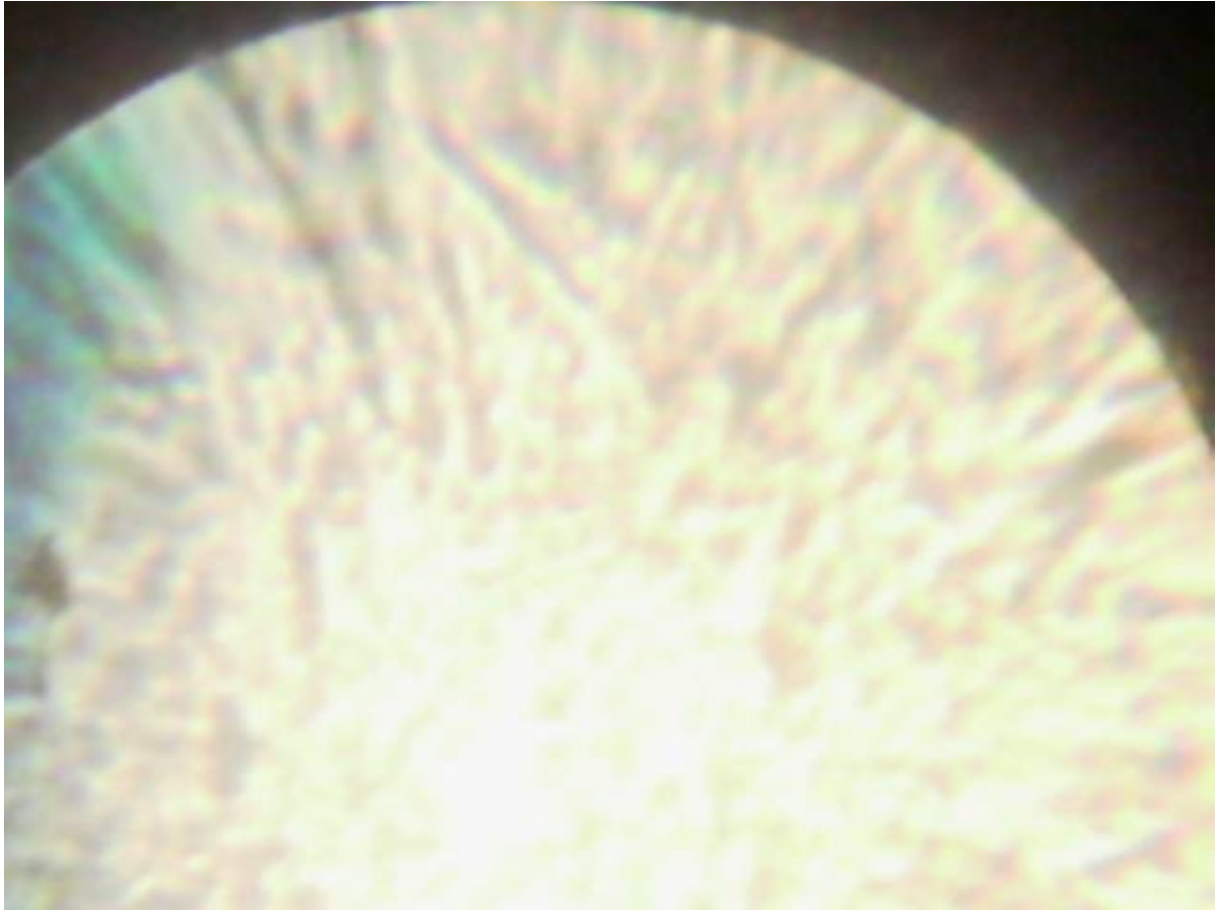

Pear shaped / Cerebellum

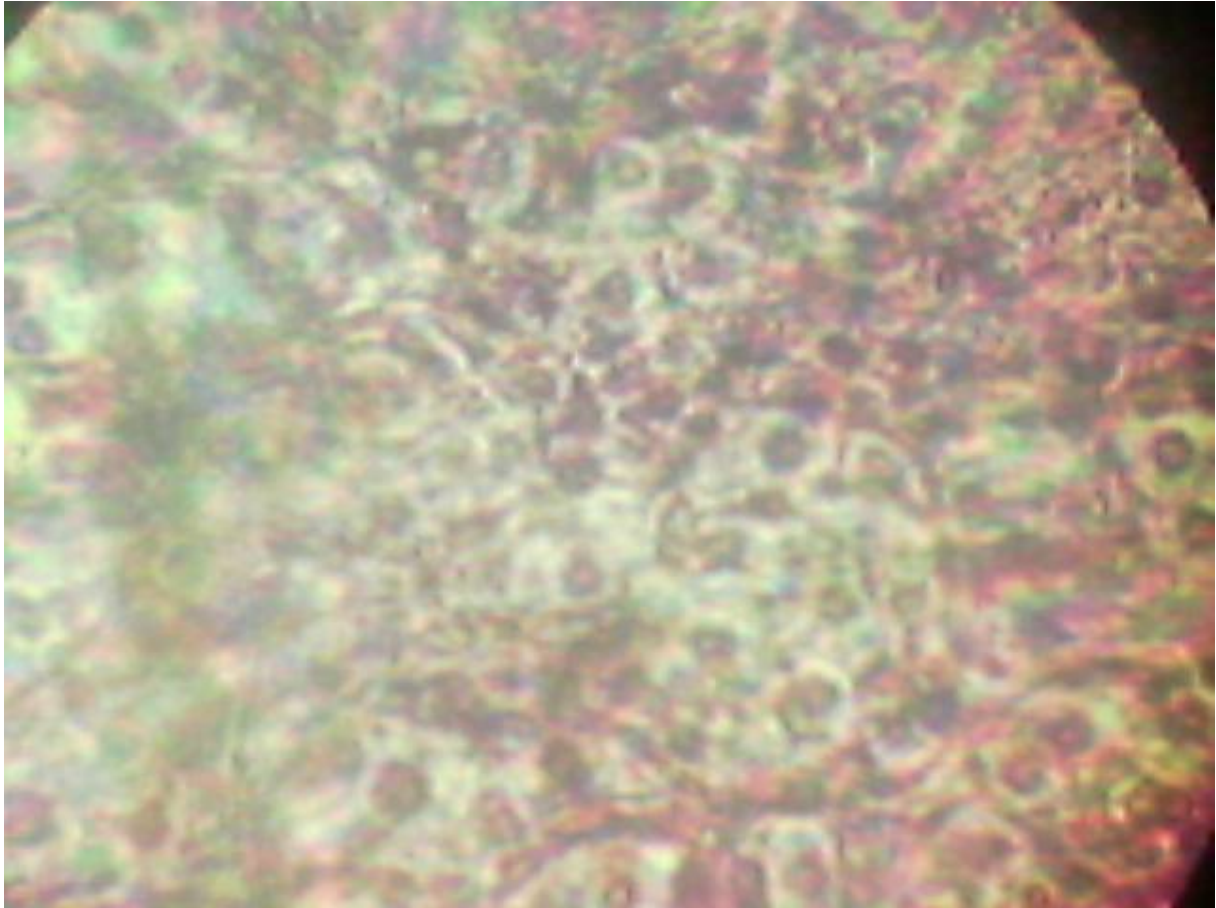

Pear shaped cell

Spindle cell

Stomach Mucous

Round fat cells

Fat cells
